

# What can you expect from your Homestay accommodation?

**Single , Twin or Triple Rooms:** We provide a variety of rooms for your comfort.

**Meals:** Your hosts will provide you with breakfast and dinner each day from Monday to Friday and all meals at weekends. (Lunch is served from Monday to Friday in the Studio cafe, at a small additional cost).

**Laundry:** Your hosts will change your bed linen and wash your clothes at least once per week.

**Other students in the Homestay -**

Often, there will be another Studio student staying with the same host as you. However, that student will be of a different nationality or mother tongue.

**How we select our hosts** - Enso hosts are selected because they are friendly people who enjoy hosting international students. They provide a warm, welcoming environment where you will feel at home.

Our Accommodation Office uses established criteria in selecting homestays. Each host is visited at least once a year when we gather, and then continuously up-date, the following information about each host:

**Personal details** - names of all members of the family; their occupations and personal interests; the ages, school details and interests of the children, if any; if anyone in the house smokes and their attitude to smoking; if they have pets; whether they can cater for special diets, such as vegetarian, halal, or gluten-free; whether any other languages are spoken at home

**The Home** - Location; distance from placement or training; walking, cycling or bus routes to school; type of home (house, apartment); size and style; number of bedrooms; type of bedrooms and facilities; number of bathrooms; facilities (garden, TV etc)

## Our host's commitment to you

In receiving students, our hosts:

- Welcome you to their home when you arrive and help you find your way in the local area

- Make you feel part of the family, rather than just a paying guest

- Encourage you to speak English, involve you in their normal daily life and invite you to take your meals with them

- Provide a good, nutritious and balanced diet, taking particular care if you have an allergy or dietary restriction

- Provide a change of bed linen, and wash your clothes at least once per week

- Show concern for your welfare, safety and security and stay in close contact with our organisation.
